Literature expert Ph.D., English, State University of New York at Albany B.A., English, Brown University Fiction author whose short stories have been published in several literary journals Taught English at Hawaii Pacific University in 11 yearsHolder a Ph.D. in English from the State University of New York at Albany Catherine Sustana is a former author of ThoughtCo who contributed articles for two years. She taught English at Hawaii Pacific University in Honolulu for 11 years. During her time as a professor there, she founded a literary magazine and started a student reading series. Catherine, a fiction writer, has had short stories published in a number of literary journals, including Arts & Letters, Crazyhorse, Quarterly West, Calyx and Alaska Quarterly Review. She has also been a finalist in several literary competitions. These include the Spokane Prize for Card Fiction and Florida State University's best short story competition. Education Catherine has a B.A. in English from Brown University and a Ph.D. in English from the State University of New York at Albany.Awards and Publications ThoughtCo and Dotdash ThoughtCo is a first-class reference site focusing on expertly created educational content. We are one of the top 10 information websites in the world rated by comScore, a leading Internet measurement company. Every month, more than 13 million readers seek answers to their questions about ThoughtCo. For more than 20 years, Dotdash brands have helped people find answers, solve problems, and be inspired. We are one of the 20 largest content publishers on the Internet according to comScore, reaching more than 30% of the U.S. population monthly. Our brands have collectively won more than 20 industry awards in the past year alone, and recently Dotdash was named Publisher of the Year by Digiday, a leading industry publication. There's nothing like a good love song to get you in valentine's day mood. Talking about love is hard, and it's even harder to sing about it. That's why we leave it to the experts to put all these messy feelings into poetic words and beautifully packaged melodies. Let Beyoncé, Lana and Chance show you what romance is really about with our list of the best modern love songs. Whether you're building a playlist for an evening with the special someone or planning a Galentine's Day brunch, these hits are sure to give you all they feel. Have Some Love by Childish Gambino This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. In his otherwise melancholy album Awaken My Love, this song from Childish Gambino stands out as an uplifting but groovy love song. All of Me by John Legend This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. Not only are John Legend's songs undeniable but they seem to have worked for him — he and Chrissy Teigen have one of the most beloved marriages on the internet. R.E.M by Ariana Grande This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. Grande's sugary voice, aptly named the album Sweetener, gives a pop twist to the classic love-drowning ballad. Romeo and Juliet of The Killers This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. This cover of a Dire Straits song has managed to eclipse the original in pop culture, and serves as a karaoke favorite. Make Me Feel by Janelle Monáe This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. No heartbreaking lyrics, no dark rumors - Janelle Monáe's Make Me Feel, from her much-famous album Dirty Computer, is about the simple, sweet love. Lovesong by Adele This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. The power and emotion behind her voice will make you fall in love with Adele at the end of this song. With You by Mariah Carey This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. So much of Carey's considerable discography is devoted to declarations of love, so it's hard to choose a single song for this list. That said, With you is a clear standout. Love. by Kendrick Lamar ft. Zacari This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. This is not we will be together forever type of love song. This is a realistic, I want to be with you, you will still love me if ... melody – and it's better for it. Blessings by chance rapper This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. Chance has proven time and time again —whether he declares love for his fiancée or donates his resources to the charities in Chicago—that he's the real deal. Which makes this confessional, uplifting song even more touching, although it's more about faith-based love than the romantic variety. In Found You by Alabama Shakes This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. The modern country band Alabama Shakes created an irresistible belt ballad in I Found You. by Alicia Keys This content is imported from YouTube. You may be able to find the same content in the format, or you may find more information, on their website. This classic will never go away – it is practically embedded in our cultural understanding of what love is. And it's just as good every time you press play. Drunk in Love by Beyoncé ft. Jay-Z This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. Leave it to our Queen Beyoncé to create a melody that's as good to dance to as it is to listen to alone in your room, or belt in the shower. Perfect by Ed Sheeran This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. It wasn't long before Ed Sheeran won the hearts of romantics, by no means because of this number. Love on the Brain by Rihanna This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. Somewhere between a hymn and a complaint, R & B ballad Love on the Brain gets stuck in your head too easily -and you won't be sad it's there. think Bout You by Frank Ocean This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. Frank Ocean is loved for exactly this kind of song, which mixes the off-moment beats with some irresistible, classic crooning. You've Got the Love by Florence and the machine This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. A surprisingly uplifting romantic ballad from the often melancholy Florence and the machine, You've Got the Love is the kind of song you turn all the way up when you hear it on the radio. Love by Lana del Rey This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. Love is not a life-affirming ode to image-perfect romance - the Lana del Rey brand of music is more or less incompatible with it – but the song connects with other phasets of emotion in a way that will have you play it on repeat. Mystery of Love by Sufjan Stevens This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. To make the cut for the Call Me By Your Name soundtrack, any song would have to ooze romance, and Mystery of Love does just that. Better by Khalid This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. Khalid quickly makes a name for himself with smooth, of-the-moment tunes, and that's exactly what he delivers with Better. Trip Ella Mai content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. Listen to British musician Ella Mai singing about how love made me stumble upon you, and it won't be long before you stumble upon her. Laws of Taylor Swift This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. From Swift's latest album comes a romantic epic that's sure to make your heart flutter. Take someone you love because this song requires a slow dance. Señorita by Sean Mendes and Camila Cabello This content is imported from YouTube. You may be able to find the same content in a different format, or you may be able to find more information on their website. Make sure you include this steamy duet in your Valentine's Day playlist. The catchy, Latin-inspired melody sung by married couple Sean Mendes and Camila Cabello is hard to ignore. This content is created and maintained by a third party and imported into this page to help users provide their email addresses.
