VerifiedPage 5 There are several reasons why you may need to put together an invitation. Maybe it's for a personal event like a birthday party. Or maybe you want to invite people to a business event, such as a seminar — or even a webinar. Either way, it can be invaluable to have some invitation templates to choose from in Even better, having free templates on hand can be even more beneficial. Instead of having to browse countless websites for potential templates, we've put together a solid collection of free invitation templates here to save you the problems. While each is described as free, it's always a good idea to read to the fine print to make sure you're free to use them the way you want. Unlimited Downloads: 25,000+ Print Design Templates Explore 25,000 + Print Templates Invitation Card Mockup Templates (Free, Photoshop PSD) Here are two invitation card previews you can use as you like. This free download can be customized in Photoshop, includes organized layers, and can be printed with 300dpi. Stylish invitation card mockup template (free, Photoshop PSD) PSD invitation card mockup Vol10 is a good template choice for those who needed a simple invitation that excludes elegance. The card itself sits on top of a fabric texture, giving the image depth. It is fully editable and customizable too. Engagement party invitation card (Envato Elements, Photoshop PSD) Here's a great free template for those who need an invitation from the engagement party. This short template is delicate and whimsical, perfect for a garden party or spring event. Stylish invitation card mockup (free, Photoshop PSD) handheld invitation card mockup template (free, Photoshop PSD) If you want to make a more personal statement, this invitation card mockup features a woman's hand holding the card, which you can customize to include the event's details. It is colorful and definitely sets a mood. Baby Shower Invitation Template (Free, AI & EPS) If you are planning a baby shower, this free baby shower invitation template is a lovely choice. It has a monogram and floral motif that adds instant adaptation to any invitation you want to create. Clean Invitation Card (Envato Elements, AI & EPS) Whether you're putting together an engagement party, bridal shower or baby shower, this template should do the trick. It's clean, it's easy to update, and puts important information front and center. Floral Birthday Invitation Vector Template (Free, Illustrator EPS) If you need a simple but sophisticated invitation template, this is a good choice. It has a floral design and can be easily customized for any birthday celebration. Birthday Party Invitation Template (Free, Photoshop PSD) For some color options in the invitation template, this pack includes 5 color schemes so you can customize the invitation to fit any birthday party theme. Great for children's parties, this template is fully layered and fully printable. Invitation & Greeting Card Mockup Template (Free, Photoshop PSD) Sometimes simplicity is everything. This free invitation greeting card mockup template contains subtle floral motifs, muted colors, and plenty of space to have a custom message. Birthday & Wedding Party Invitation Card Template (Envato Elements, Photoshop PSD) Now Can the invitation template is used for teen or adult birthday party, but it can also be used for a wedding. It is sophisticated and has a little art deco vibe that can fit many themes. It is print-ready and contains a free font you can use. Birthday invitation template for children (free, Photoshop PSD) Throw your child a birthday party with a spaced theme? You can't go wrong with this child's birthday party invitation template. It's easy to customize and has adorable space-themed graphics to set the tone for the upcoming celebration. Japanese Style Wedding Invitation Vector Template (Free, AI & SVG) This invitation template is ideal for wedding invitations and has a stunning Japanese design. It includes patterns and motifs commonly found in Japanese art, and will add a touch of airy elegance to any invitation you make with it. Wedding invitation and answer template (free, Photoshop PSD) This wedding invitation template also contains an RSVP template and is really something to see. It runs tight between classic and modern design very well. Fully editable and printable. Vintage Invitation Ticket Template (Envato Elements, Photoshop PSD) What a fun design this is! This invitation template is in the form of a vintage ticket, which your guests can happily keep as a memory from your upcoming special occasion. Vector Watercolor Flower Wedding Invitation Template (Free, AI & EPS) Here's another wedding invitation that sports a floral motif, but this time the flowers appear as if they've been watercolored on the page. This template can also be fully edited in well-organized layers and can be printed. Minimalist Floral Wedding Invitation Vector Template Vector (Free, Illustrator EPS) Sometimes simplicity is all you need. This simple invitation is perfect for a wedding or spring party and has minimalist floral features. Use a save date or as a full wedding invitation. Blush Noir Wedding Invitations Template (Free, Photoshop PSD) This blush noir wedding invitation has a hand-painted style that is certain to capture attention. To put it simply, these are stylish and will add elegance to any wedding invitation. Wedding invitation and save the date templates (Envato Elements, Photoshop PSD) Here is another wedding invitation template that is simple and elegant. With it, you can have a picture of the happy couple along with all relevant event details. It comes with a free font and can be printed fully. Wedding Invitation Card Template & Mockup (Free, Photoshop PSD) Wow! For a statement this invitation test and preview will do on your guests. The artwork is amazing and you can customize it for a save-the-date or general invitation, too. In-Hand Invitation Mockup Template (Free, Photoshop PSD) This invitation mockup has the invitation in a person's hands to show a more delicate and human touch to the affair. Use this invitation template for a wedding, bridal shower, baby shower or even birthday parties. It is simple and Wedding Mockup Scene Scene (Free, Photoshop PSD) If your wedding wants a vintage or classic theme, this wedding mockup scene creator template is a sure thing. Adjust the colors, designs and elements of the scene to tell a visual story and to forward important information about the event to guests as well. Minimal wedding invitation (Envato Elements, PSD & AI) Minimalism can be so soothing, and this invitation really exudes the beauty of simplicity. This template can be used for wedding invitations, but can also be customized for other types of parties. It can also be edited and printed. Modern wedding invitation templates (free, AI and EPS) This set of modern wedding invitation templates features stunning flowers and clever designs that jump off the side. These templates can be edited in Illustrator and fully printed, so you can easily make your invitations easy. Stardust Invitation Templates Set (Free, Photoshop PSD) The Stardust invitation set features watercolor images of nature and stars, elegant scripts and a layered design that draws interest. This template set can be printed and is in PSD format. If you're planning an event, you'll probably need an invitation to give hints about potential guests. Instead of shelling out money for a free template, try one of the free options suggested above. These free invitation templates are beautiful, easy to edit, and sure to satisfy your design needs. Needs.
